Empowering learners for their future

PRINCIPAL'S REPORT

Kia ora e te whanau

It was lovely to hold our first outdoor assembly today and see our whole school together, in the fresh air for the first time this year! Although the red light setting has been relaxed in a number of areas, schools are still operating in restricted ways. Once again, thank you for all your support with this. Good news is our outside activities are able to be more relaxed and the news of being able to enjoy winter sports without restrictions, is lovely for everyone concerned. Exciting!

On Wednesday Ruairi (our EnviroSchools coordinator) along with Predator Free Matamata and Manaaki Kaimai Mamaku Trust met with the two senior classes to talk about the important things they are doing in our area to help New Zealand to become predator free by 2050. This talk included a quick talk about the predators we need to control and the wildlife we are trying to protect. Milestone Homes have kindly sponsored three new rat traps and Ruairi has donated materials for us to construct an additional two traps for us to place around the school. We will be logging our catches with Trap NZ. Hopefully with all the additional traps around the school we will stop those rascally rats burrowing in our worm farm. Martin (Predator Free Matamata) was able to share his expertise as well, so with those helpful tips they don't stand a chance!!

Autumn is well and truly here and with it getting cooler in the morning and children starting to wear their jerseys and jackets to school, now is a great time to check that they are all named. The lost property pile has started to increase and we can't return them back to their owners as none of the clothing is named.

Lots of fun and giggles around the school today. All doors in the school were strangely inoperable, chocolate Easter eggs became wrapped acorns and some classes were awarded two days off school for being so good. Even kids thought they would join in on the fun too. I thought I was safe in the office But no! Scarlett Wade you better watch out....I'm onto you!!

Just a friendly reminder that this weekend Daylight Savings ends. Clocks are turned back one hour on Sunday. Enjoy the extra hour sleep in.
