# Getting to know us

**Lisa Loomans:**

**Chairperson -  
Manawaru School Board of Trustees**

**Tell us something about yourself.**

I am a mother of a Year 7 and a Year 4 here at Manawaru School. I was born in Te Aroha, and have had ties to the area for the past four generations. I am a qualified chef and have worn many hats in the past when it comes to jobs. Currently one of the hats I am wearing is one of a small business owner.

**How was school for you?**

I only went to school to see my friends and eat lunch! I struggled with reading and writing all through school. I was finally diagnosed with dyslexia when I was at the end of college. No one had picked it up before then, and I was given little support. It is great to see how much schooling has changed since I was at school, how much support is out there now, and how kids are celebrated for all of their capabilities!

**What is something you have learnt since coming on the Board of Trustees?**

That it doesn't matter what your background is, we can all make a difference. That there is support for learners of all ages, our kids, teachers, teacher aides, Principals, B.O.T. members, parents and families. You never stop learning!

First Credit Union provides a great school banking service to all pupils at Manawaru School. Getting started is easy - just pick up an application pack from the school office, fill in the application form and return it to the school office (the red banking box). They pick up the banking each week and send the books back to school again.

If your children already do school banking – great! Remember, the school banking is collected on a Wednesday each week!

## HOST FAMILIES NEEDED FOR 2020

Hosting an exchange student can be a truly rewarding experience for the whole family. Welcome a new family member into your home.

- Experience a foreign culture first-hand
- Be exposed to a new language at home
- Rediscover and share the beauty of New Zealand
- Develop friendships that last a lifetime

We have a wonderful group of students arriving in May and July 2020 for 3, 5 or 10 months and are excitedly waiting to hear news of their host family in New Zealand.

All students have a wide range of interests and hobbies. If your family can offer a friendly, supportive and caring home environment, contact us today 0800 440 079 or email us at [info@studentexchange.org.nz](mailto:info@studentexchange.org.nz) or check out our website at [www.studentexchange.org.nz/hosting](http://www.studentexchange.org.nz/hosting)

## INCREDIBLE YEARS PARENT COURSE

We are looking to start a new Incredible Years Parent course on the 20 February 2020. We require a minimum of 16 parents to go ahead with the programme.

About the Incredible Years Parent Programme:

- The programme is delivered to parents, whānau and caregivers of children aged 3-8 years that exhibit behavioural challenges
- The programme is 15 sessions long. Session one is a Whanaungatanga (meet and greet) session and the following 14 are 2.5 hour long programme delivery sessions
- There is an expectation that all sessions are attended but we do realise things happen so we can offer a couple of catch-up sessions if needed.
- The programme is free to attend and all resources are provided.

Please feel free to contact us if you have any further questions. We also have a flyer at school with further information on it for those who are interested.
