**CHAIRPERSON**

Also known as the "Rowdy One" of the team, that enjoys a good coffee, a good laugh and catch up with friends. Mum to Matty and Kaitlyn. We have some pretty amazing families in our School with some pretty fabulous kids. I love being able to be part of such an amazing team, that strives to support our kids in providing opportunities for them the best, we possibly can.

I have 3 kiddies - Rylan, Kaleb and Sophie at Manawaru School. I have been involved in the fundraising committee for 4 years now and am having a blast with an awesome bunch of ladies. Amongst all our laughs and having fun, our main goal is always the kids! Trying to provide them a great Schooling experience and opportunities inside and outside of the classroom. We would love for more parents to come and join our fundraising team. The best part is coming to School watching their excited faces as they tell me all about their day and what achievements they have done. We honestly have an amazing bunch of kids!

**TRIVIAL PURSUITS**

Mum to 3 boys; Aleksander in room 3, Harry in room 4 and Grayson a keen Playcentre attendee. I joined the committee back in 2018, sitting in as support crew for a few years before taking on the Trivial pursuits portfolio at the end of 2020. This is a great supportive team to be part of, and great place to learn about our school. All whilst having bit of a laugh and supporting our children.

**CATERING**

I belong to both the fundraising group and I am the chairperson of the BOT. I have 2 kids at Manawaru, Katy is in year 8 and Shaun is in year 5. I love our little school and love being able to support the staff and kids in anyway I can. The fundraising group is an amazing group of like minded people, who want the same thing - the best for our children. It's a great way to get to know other parents within the school.

I have 2 kids here - Elayna in Rm1 and Leo in Rm2, and Hannah a Manawaru graduate. We have been here since Hannah started in 2012. We fundraising girls are a friendly bunch who just want to make the best of our kid's educational experience, all while having a laugh along the way. We would love any mums and dads to come and join us
