Our focus this term
is being a
recogniser of
structure and norms

7 February 2020

**Empowering learners
for their future**

PRINCIPAL'S REPORT

Kia koutou

I hope everyone enjoyed spending time together on Waitangi Day yesterday. It does feel weird being at School today though - it feels like a Monday but it's actually a Friday.

We trust that your children are well and truly settled into school and that families who are new to our school are quickly getting to know us and our parents in this wonderful community. Manawaru is a special little school and it is important to us that you and your children feel that it is a happy place to come to each day.

Due to the harsh effects of our summer sun and in accordance with our Sunsmart Policy, children **MUST** wear a hat when outdoors during Term 1 and Term 4. This is not optional. Please make sure your child has a hat at school at all times this term. A named hat to keep at school would be a great option. To give full protection the hat must provide cover for the face, neck and ears. Caps are not permitted.

Communication is key for us all, here are ways for us to keep in touch:

Website – Here you can find the latest copy of the newsletter and find out information about the school. There is a calendar and events to keep you informed for 2020.
<https://www.manawaruschool.com>

School Cellphone – 027 394 6585. Please make contact with us when your child is absent from school.

Linc Ed – This is our main form of communication. Newsletters are posted here as well as communication about school events. Your child's learning progress is also located here. You will receive an email when a post has been made so please check that you have given the school your current email address.

Facebook Page – We have a school Facebook Page which we use a lot now for quick notices and information. We would love it if you could like and follow us on this page. We also have a parents page (Manawaru Parents). This is a private group and you will need to request to join.

We would also really appreciate it if forms are returned / submitted to school promptly. It certainly makes organisation a much easier task.

Enjoy your weekend – not long to go now for Senior Camp.
Mel Sargent

"If everyone is moving forward together, then success takes care of itself." - Henry Ford

03 1573 0013006 00

The Fundraising Club account for any sausage sizzles or fundraising things is:

02 0436 0071213 00

INCREDIBLE YEARS PARENT COURSE

We are looking to start a new Incredible Years Parent course on the 20 February 2020. We require a minimum of 16 parents to go ahead with the programme.

About the Incredible Years Parent Programme:

- The programme is delivered to parents, whānau and caregivers of children aged 3-8 years that exhibit behavioural challenges
- The programme is 15 sessions long. Session one is a Whanaungatanga (meet and greet) session and the following 14 are 2.5 hour long programme delivery sessions
- There is an expectation that all sessions are attended but we do realise things happen so we can offer a couple of catch-up sessions if needed.
- The programme is free to attend and all resources are provided.

Please feel free to contact us if you have any further questions. We also have a flyer at school with further information on it for those who are interested.

SMART SWAP #2

SNACKS

Potato chips, corn chips, crackers and dips can be very high in fat.

- Replace potato chips with rice crackers, pretzels or pita crisps
- Instead of creamy dips try hummus or salsa
- Instead of chips in your children's lunchbox try plain popcorn

Small packet
chips = 6g fat
or 1 tsp fat

1 cup plain
popcorn = .3g
fat or 1/8 tsp fat
