Spring has Sprung!

With the weather improving for outdoor games and activities, Room three have been enjoying getting outside and turning our faces to the sun. We have had a focus on science this term, and used visual art to show our learning...

"We've been doing habitats of animals we like and our animals are a unicorn, cows and calves and a koalacorn."

"With shoeboxes we made a habitat for our animals."

"Our animals have habitats that have water, food, space and shelter."

"We've been making habitat dioramas for our animals to survive and live happily."

"We've been learning about animal habitats and we've been doing imaginary AND real animals."

More Room 3 activities:

- Maths (Measurement)
- Camp Catch-up - marshmallows
- Cricket
- Cross Country - certificates
