Our focus this term
is being a
recogniser of
structure and norms

16 April 2021

**Empowering learners
for their future**

PRINCIPAL'S REPORT

Fabulous! We have made it to the end of the term!

This year continues to be one filled with change. Diane Robinson, our Teacher Aide and Librarian further reduced her hours this term, and seems to be enjoying herself too much to want to build them back up! Next term Adele Tilsley has decided to follow her lead and is looking forward to relinquishing her Teacher Aide hours, and just sticking to the Office Administrator role, so we will be dealing with another change! These wonderful people are such a great support for all of us at Manawaru School, and have been for such a long time. I am glad they are still around, in their reduced hours, so we still can enjoy the quality of their input, in a reduced quantity of time! Thanks to both of them for all the hours they have invested in Manawaru School so far.

We welcome Carol Oldham back into Room four for Monday - Thursday next term, with Anna Stephens continuing on her efforts on Fridays. We also welcome back Julie Hunter, who will be stepping into Adele's hours, and initially focussing in the junior room. Julie is a former school parent, Teacher Aide and B.O.T. member, so I am sure she will fit back into how things are at Manawaru School. She has had a number of years working in an intermediate school, and I am sure she will bring a range of skills back with her.

So it looks like we are all set for Term two, staff wise. The changes in Adele's time will mean that you may need to make greater use of our answer phone. We can do this!

Our van run is a work in progress. We have had some interest in sponsoring the van at \$300 a pop! If you are interested in doing so, please let us know, or Mike on 027 366 1695. We are aiming to replace our current system by funding the van this way. It is a bit of an adventure, but there is no point in just talking about it! The plan currently is to cover our current route, and go to Te Aroha, twice a day. At this stage heading down the other way, towards Matamata is problematic, as we also need to factor in the time it will take for all the runs to be completed, and start school at 8.25 am.

We hope you enjoy being together for the next two weeks. When we come back we will be looking forward to our Trivial Pursuits night, so I hope you have all got this event in your diary!

Travel safe all of you that are heading away for an adventure; we look forward to seeing you next term.

Rosemary
