Room 4 happenings

6 from Northern Districts Cricket came to teach us some cricket skills.

We had so much fun while learning new skills!

Room 4 have started a new project - a hut out of sticks. And of course it needed colour! The children decided one lunch time to decorate. :)

Zero waste and sequencing

Vicki from Zero Waste came and talked to us about how we can Reuse waste. Look at these cool games we played with reusable things.

We have been practising our sequencing and instructions.

We have enjoyed activities like hot chocolate, lemon drinks, fairy bread and playdough.

Getting to know us

Manawaru School Board of Trustees

Dayle Foote:

Tell us something about yourself.

I was born and bred a local Te Aroha man. After leaving college I started my building apprenticeship and now I run a small building business. I have over 20 years experience in the building industry. When I'm not on site I enjoy a good round of golf. I was brought up on a local dairy farm in Springdale with my three older brothers. We were a very sporty family. I am now enjoying being the spectator, watching my kids do all the running around on their various activities. I have three children who attend Manawaru School, aged 10, 9 and 6.

How was school for you?

On a whole school was pretty good for me. I attended Springdale Primary School and later Te Aroha College. I was lucky enough to have enjoyed the subjects that related to my career choice as I knew from a young age that I wanted to be a builder. Being very sporty myself I was given opportunities at college level, allowing me to travel the countryside. This gave me many positive experiences and have made many lifelong memories and friends.

What is something you have learnt since coming on the Board of Trustees?

I have been on the board of Trustees for just over a year now, and I'm still learning the ins and outs of the job. It's been an interesting and enjoyable process learning about the day to day running of a school and all the details that help provide our children with an awesome learning experience.

CAFÉ 77 – OPEN!

The long held dream of having a new village centre and cafe has become a reality with the refurbishment of the old Dairy factory.

Cafe 77 officially opened on Thursday, 10 September and the new team are so excited to start giving our community and visitors the friendliest service, best coffee and tastiest food around!

We are waiting to see if the country is down to Covid Level 1 next week to enable the Community View and Heritage Centre openings, along with a 'mini Jubilee' celebration to go ahead on Saturday, 26 September.

Warm regards
Stuart Bay
