**Empowering learners
for their future**

PRINCIPAL'S REPORT

Welcome to the wonders of Term 2. It is lovely to hear the sounds of happy children floating down the corridor once again. Hopefully we have some great autumnal weather and lots of games are enjoyed outside.

We have had some new people join us, including a new staff member. Mrs Warren is joining the team, working mainly in Ms Norris' room. We have a number of new learners as well, so school is humming again.

Thanks to the team for our Trivial Pursuits night. Once again the parents of Manawaru School did an amazing job, creating a fabulous event and raising \$20,000! Thank you Pene Marshall for leading this team so well, and Lisa for ensuring we were fed so well. There are so many parents to thank, most especially those who were able to step up on the night. Thank you to Sarah and Lisa for their amazing performance! :)

We are so fortunate to have such amazing support from parents and our wider community. The difference this team makes to the culture of Manawaru School is incredible. This support also results in funds to improve the school in ways that would not otherwise be possible. Thank you so much, to the team that we could see, and all of the people that helped in the background. The Fundraising team needs all of the help it can get, so if you think you might be able to help, in any small way, please let us know. Joining the team does not mean you will be required to get on stage and dance in front of a crowd of people like Sarah and Lisa did!

A massive thank you to all of our sponsors, the prizes on the night were once again amazing! Every year we are blown away by the generosity of our sponsors, and this year was no exception. Thank you, thank you, thank you!

We would encourage our community to consider our sponsors when they are looking for a business to support.

Thanks also to Dave Johnston, from Shackells for all of his efforts getting the pool converted to saltwater and the heating up and running. He has closed the pool for the season, and he is going to get us up and running again for swimming in Term 4.

Thank you to Andrew Matijasevich for your donation of a pool filter pump, a very welcome donation to our pool upgrade.

It will be exciting to be swimming in Term 4 to ensure we maximise swimming learning for everyone. We are looking forward to being able to open the pool to the community once again this year. This year the money raised by the Fundraising Team has gone to the revitalisation of the swimming pool.

Just a wee reminder COVID is definitely in the community and the 7 day stand down applies for the person who tested positive. We have testing kits available at school if they are needed.
